

EDUCATION DEPARTMENT: CHANDIGARH ADMINISTRATION
Corrections in the Answer Keys and Revision of Result for
selection to the posts of Nursery Teachers (NTT) and
Trained Graduate Teacher (TGT)

It is regretted that certain errors had inadvertently crept in the answer keys and it was brought to the notice of the Administration only after the results had been declared. To ensure justice to all the candidates, the Exam setting agency was immediately asked to take remedial action. The said agency after getting the answer keys prepared independently from two different sets of teachers and resolving the differences, if any, through an expert committee, to the satisfaction of both the teachers who had marked the questions, has prepared the final answer keys which have been uploaded on the website.

Accordingly, the results of written test for the posts of TGT declared on 23-4-15 and NTT declared on 6-4-15 are hereby withdrawn. The revised result will be uploaded by 26-5-2015 alongwith schedule for verification of documents.

The candidates whose documents have been verified as per the earlier merit list and who continue to figure in the revised merit list as well, will not be required to get their documents verified again.
